

Charleston's Restaurant opens near Bass Pro

May 27, 2009

The area around Broken Arrow's Bass Pro Shop continues to see new growth. This week, a new Charleston's Restaurant opened along "Bass Pro Lake". The new 190-seat casual dining restaurant includes a large patio where guests can enjoy a meal next to the lake. According to company information, Charleston's is privately owned and was founded in 1987, in Oklahoma City. The Broken Arrow Charleston's is the third Tulsa area location. Additional locations outside of Oklahoma include Arizona, Indiana, Nebraska, and Texas.
